

Dated: 3<sup>rd</sup> November, 2017

D.O. No. K-16011/82/2017-AMRUT-1B

Dear

I would like to inform you that the Ministry of Housing & Urban Affairs has developed an automated structure on AMRUT portal wherein the details such as the progress in project implementation, achievements in service level benchmarks, progress in energy audit of pumps, replacement of street lights, credit rating, adoption of model building bye-laws, etc. in respect of these cities can be captured directly at the city level. The Ministry has also been continuously making efforts to monitor the physical and financial progress made by the State/ ULBs/ implementing agencies under AMRUT.

2. I would also like to inform you that the page to capture the aforementioned details in respect of each Mission city is available on the AMRUT portal, [www.moud.in/amrut](http://www.moud.in/amrut). The Ministry is also in the process of ranking the States/ULBs in implementation of projects under AMRUT as well as AMRUT reforms. Entering the data and updating it regularly is crucial to reflect the real work done by the State/ULBs.

3. I, therefore request you to coordinate, through the State Mission Director, with all Mission cities covered in the State/UTs so that the city-level details are updated by the Mission cities on a monthly basis. These details may kindly be updated before the 5<sup>th</sup> day of the succeeding month.

With regards,

Yours' sincerely,

(Shiv Das Meena)

To,

Secretary / Principal Secretary  
Urban Development Department  
All States / UTs.
