Dated : 13<sup>th</sup> April, 2016

*Dear Sir/Madam,*

I wish to bring to your notice the provision under AMRUT regarding transfer of funds to the ULBs. Keeping in view the importance of timely release of project funds for their completion, the Mission Guidelines under Para 9.5 provide that the State Governments should release the Additional Central Assistance funds along with the State share to the ULBs within 7 working days of release of Central share by MoUD. Any delay beyond 7 working days results in deduction of interest from further instalments due to the State.

2. While interacting with stakeholders at different forums the Ministry has got feedback that several ULBs have not received the funds from the State Government in time. I hope that the funds released under the Mission in the year 2015-16 to your State would have been released along with the State share within 7 working days. However, in case the funds have still not been released then it is requested that they may be released immediately.

3. I would also request you to kindly direct the concerned officials to send a copy of the Government orders of the releases made to the Ministry and also to ensure the same in future.

*With regards,*

Yours sincerely,

(Neeraj Mandloi)
